

# GOD WANTS YOUR BOD!

## I Corinthians 6

*“The world was made for the body, the body  
was meant for the soul and the soul  
was meant for God”*

*-Ancient Proverb*

### **Lawsuits:**

- Greek “fondness” for trivial lawsuits
- Matters of dispute ought to be decided on the value of the Word of God...not the whims of culture
- We will judge the world
- Why not be willing to be hurt?
- You were cleansed-so don’t act like an uncleansed person

### **Sexual Practices:**

- Theology of convenience
  - Greek thought: appetite is **inseparable**...BUT spirituality **separable**
  - Hebrew thought: everything is **one**!

### **American culture is more influenced by Greek thought than Hebrew thought**

- I’m owned...therefore, wherever I am, there Jesus is!
- How many times can you become one with someone before you begin to divide?
- **God wants your Bod!** (and your heart and mind and...)

### **Run away, run away! (verse 18)**

- do it now, without delay...because it will catch you if you walk!

### **Bottom Line: Our bodies are the Temple of the Holy Spirit**
